PREFACE

Bangladesh Election Commission conducted the 8th Parliament General Election in October 2001. It is customary to publish a report on the election to meet the information need and curiosity of different quarters both at home and abroad.

In this election people's expectations from both home and abroad were high. A total of 225 foreign observers from 32 countries and 218,000 local observers from 69 local institutions/agencies observed the election. It was indeed a gigantic task to create a conducive environment for holding a free and fair election, which could satisfy the people and the international community.

The Care Taker Government undertook all necessary measures to create a conducive environment. All possible steps were taken by the Commission to ensure a free and fair election in a peaceful environment.
